

EDUCATING EMPLOYERS  
FOR OVER 70 YEARS

**Patricia Hostine, MA, MBA, ARM-E,  
SHRM-SC, WRP, CRC-R**

Patty is the Corporate Risk and Insurance Manager at Xylem, Inc. She has over 19 years of experience in risk management and workers' compensation, holding an Associate in Risk Management (ARM) and Workers' Recovery Professional (WRP) designations. She is a Society of Human Resource Management-Senior Consultant (SHRM-SC) and a retired Certified Rehabilitation Consultant (CRC-R)

Focused on developing and implementing strategic advocacy models for injured team members, achieving significant reductions in accruals through effective claims management, and cultivating relationships with internal and external stakeholders. She is passionate about service improvement and cost savings, and always looking for innovative solutions to enhance operational efficiency and engagement, with a mission is to provide exemplary service and support to internal customers and to drive greater value.
